

§ 95-111.10. Reports required.

(a) The owner of any device regulated under the provisions of this Article, or his authorized agent, shall within 24 hours, notify the Commissioner of each and every occurrence involving such device when:

- (1) The occurrence results in death or injury requiring medical treatment, other than first aid, by a physician. First aid means the one time treatment or observation of scratches, cuts not requiring stitches, burns, splinters and contusions or a diagnostic procedure, including examination and x-rays, which does not ordinarily require medical treatment even though provided by a physician or other licensed personnel; or
- (2) The occurrence results in damage to the device indicating a substantial defect in design, mechanics, structure or equipment, affecting the future safe operation of the device. No reporting is required in the case of normal wear and tear.

(b) The Commissioner, without delay, after notification and determination that an occurrence involving injury or damage as specified in subsection (a) has occurred, shall make a complete and thorough investigation of the occurrence. The report of the investigation shall be placed on file in the office of the division and shall give in detail all facts and information available. The owner may submit for inclusion in the file results of investigations independent of the department's investigation.

(c) No person, following an occurrence as specified in subsection (a), shall operate, attempt to operate, use or move or attempt to move such device or part thereof, without the approval of the Commissioner, unless so as to prevent injury to any person or persons.

(d) No person, following an occurrence as specified in subsection (a), shall remove or attempt to remove from the premises any damaged or undamaged part of such device or repair or attempt to repair any damaged part necessary to a complete and thorough investigation. The department must initiate its investigation within 24 hours of being notified. (1985 (Reg. Sess., 1986), c. 990, s. 2.)
